INVITATION

The Kerala Development and Innovation Strategy Council (K-DISC) is a strategic think-tank and advisory body constituted by the Govt. of Kerala. K-DISC aims at bringing out path-breaking strategic plans that reflect new directions in technology, product and process innovations, social shaping of technology and creating a healthy and conducive ecosystem for fostering innovations.

The 2021-22 budget of the state government announced the 'Kerala Knowledge Economy Mission' for encouraging innovative ideas, bringing together knowledge initiatives, and making the youth competent for such initiatives. Digital Workforce Management System (DWMS) is implemented as a first step in fulfilling the aim of creating a knowledge economy. The DWMS platform creates opportunities for qualified youth to find new-age jobs and equip them for such positions.

K-DISC is taking the project to the next stage by incorporating an Employers' Portal to the DWMS platform where job providers can register themselves and post their current requirements or job openings. The DWMS platform already has around 35,000 registrants, and many of them are employable. Alongside the inauguration of Employer's Portal, K-DISC is organizing a job fair allowing the employers to connect with qualified candidates and offer jobs.

'Young Innovators Programme' is a flagship project of K-DISC running successfully for the last three years. The programme aims to promote a culture of innovation and also democratise innovation among the youth of Kerala. K-DISC is also launching the fourth edition of the programme - 'YIP 2021' on this occasion.

Sri. K.N. Balagopal, Hon. Minister for Finance will inaugurate the Employers' Portal and Sri. V. Sivankutty, Hon. Minister for General Education and Labour will launch the 'YIP 2021' programme. The job fair will be inaugurated by Dr. R. Bindu, Hon. Minister for Higher Education and Social Justice. Adv. Antony Raju, Hon. Minister for Transport will preside over the function. The event is scheduled to be on the 12th of August, commemorating World Youth Day. It is our proud privilege to invite you to attend the function organized on the virtual platform.
