## 1. Introduction

The Kerala Development and Innovation Strategic Council (K-DISC), functioning under the Government of Kerala, is mandated to design and implement innovative programs and strategies aimed at fostering a knowledge-driven economy in the State. In line with this vision, K-DISC has initiated several pioneering projects under the *Vijnana Keralam* initiative to strengthen infrastructure and create platforms that bridge the gap between academia, industry, and society.

One of the key components of this mission is the revamping of **Skill Delivery Platform Kerala (SDPK)**, envisioned as a state-wide infrastructure to facilitate virtual job fairs, skilling, and employment-related activities across the State. The SDPK centers are intended to serve as nodal points that provide advanced facilities for candidates, employers, and training agencies to interact seamlessly in a digital environment.

To operationalize these centers and ensure their sustainability, it is critical to establish a robust and reliable infrastructure, particularly with regard to broadband connectivity, networking, structured cabling, and audio equipment. These elements form the backbone of SDPK centers, enabling uninterrupted digital services and ensuring smooth coordination during large-scale virtual and hybrid events.

This tender document is therefore issued by K-DISC to invite bids from qualified vendors/agencies for the **supply, installation, and commissioning of broadband connections with modem** in identified SDPK centers across Kerala. The selected vendor is expected to provide not only the supply of equipment but also the installation, configuration, and necessary support services to ensure the effective functioning of the infrastructure.

## 2. Background and Objectives

The Government of Kerala has been at the forefront of implementing forward-looking policies in education, skilling, and employment. Over the past decade, several initiatives have been undertaken to ensure that the youth of Kerala are equipped with the skills required to thrive in an evolving knowledge economy. However, challenges remain in terms of access, infrastructure, and the ability to connect talent with opportunities on a large scale.

The Skill Delivery Platform Kerala (SDPK) was conceptualized as a strategic intervention to address these challenges. The platform aims to create a network of technology-enabled centers across the State that can host virtual job fairs, employer–candidate interactions, training sessions, and other workforce development programs. By leveraging technology, the SDPK initiative reduces geographical barriers and provides equitable access to employment and skilling opportunities for all sections of society, including those in rural and semi-urban areas.

Institution level assessments carried out by K-DISC have revealed the need to strengthen the infrastructure of these centers. While many centers have existing systems, several gaps have been identified in terms of reliable internet connectivity, sufficient Wi-Fi coverage, networking hardware,

structured cabling, and communication devices such as headsets. Without these critical components, the ability of SDPK centers to conduct large-scale virtual job fairs and provide uninterrupted services remains limited.

Recognizing these needs, K-DISC has accorded priority to upgrading the infrastructure as part of the SDPK Revamping initiative under Vijnana Keralam. By implementing this project, the Government of Kerala seeks to ensure that each SDPK center operates at optimal efficiency, thereby empowering youth with access to employment opportunities, industry linkages, and employment-based programs. As per G.O.(Rt) No.98/2025/PLG&EA dated 07-11-2025, Government of Kerala has accorded sanction to revamp 103 SDPK centres across the state through K-DISC.

The primary objective of this tender is to establish a standardized, reliable, and scalable infrastructure across selected SDPK centers in Kerala. Through this procurement and installation process, K-DISC intends to:

1. **Ensure Seamless Connectivity:** Provide high-speed broadband connections with modems in each center, ensuring uninterrupted connectivity during job fairs, interviews and training sessions.

By fulfilling these objectives, the project will significantly strengthen the operational capacity of SDPK centers and align with K-DISC's larger mission of promoting Kerala as a knowledge economy hub.

### **3. Instructions to Bidders**

- Bids must be submitted in single part with financial bid along with the technical specification:
  - **Financial Bid** (price quote as per Annexure II).
  - **Separate price bids must be submitted for broadband and lease line connections**
- Prices must be inclusive of all taxes, duties, transportation, installation, and commissioning charges.
- Supply and installation must be at the sites mentioned in Annexure 4.
- The supply and installation must be completed within the period specified in the work order.

#### **Payment terms:**

- Monthly internet charges shall be billed centrally and paid on a quarterly basis.
- Bidders must provide onsite warranty support for the products including modem.
- Award of the purchase order will be based on meeting specifications and bidder quoting lowest amount. 100% of the fixed charges shall be paid after installation and acceptance at all centres as per work order.

- Any transit damage/loss of material shall be covered by the supplier with proper replacement or insurance coverage provided by the supplier.

## 4. Scope of Work

The selected bidder shall be responsible for:

1. Supply, installation, and commissioning of broadband internet connectivity with modem at designated SDPK Centres as per Annexure IV.
2. Configuration of internet and testing.
3. Provide continuous onsite support to ensure uninterrupted connectivity.
4. Providing training to local staff on basic operation and troubleshooting.
5. The bidder shall, at the time of bidding, satisfy itself as to the feasibility of providing broadband connectivity at the SDPK Centres listed in Annexure IV.

## 5. Technical Specifications

Sl. No	Particulars	Specification/Quantity
1	Broadband Connection or Leased line with	102 nos
2	Connection type	Fiber
3	Minimum Speed	300Mbps, Latency 5-15ms
4	Modem- recommended specification	<ul style="list-style-type: none"> <li>• IPv6 ready</li> <li>• Support LAN switching</li> <li>• Minimum 100 active DHCP leases</li> <li>• Minimum 4 × Gigabit Ethernet LAN ports</li> <li>• NAT, DHCP, DNS, Static IP support</li> <li>• Optional VPN support</li> <li>• Web-based management and monitoring</li> </ul> <p>Additional requirements:</p> <ul style="list-style-type: none"> <li>• Broadband: Dual-band Wi-Fi (2.4 GHz &amp; 5 GHz) mandatory, minimum 8 SSIDs (4 per band)</li> <li>• Lease Line: Wi-Fi may be required depending on site; Ethernet handoff mandatory</li> </ul>

## 5.1 Broadband Connection/ Lease line with Modem

- Minimum speed: **300 Mbps dedicated broadband line/ Lease line with latency of 5-15ms.**
- Modem: Dual-band Wi-Fi enabled, IPv6 ready, minimum 4 Gigabit LAN ports.
- ISP must provide 24/7 uptime support and SLA of 99%.

## 6. General Terms and Conditions

1	Tender Type	Limited Tender
2	Currency	Indian Rupees
3	Delivery Supply date	Within 4 days from date of purchase order
<b>Critical Date Sheet</b>		
4	Date of Tender Publishing	27/01/2026
5	Bid Submission Start Date	27/01/2026
6	Bid Submission End Date	03/02/2026
7	Bid Opening Date	04/02/2026
8	Designation and Contact Details of Tender Inviting Authority	The Senior Procurement Manager, Kerala Development and Innovation Strategic Council (K-DISC), India Heights Building, Govt Women's College Road, Vazhuthacadu, Thycadu P O Thiruvananthapuram, Kerala For more details: 918714619203, 9447041550 <a href="https://kdisc.kerala.gov.in/en/sdpk.kdisc@gmail.com">https://kdisc.kerala.gov.in/en/sdpk.kdisc@gmail.com</a> with cc to <a href="mailto:pc07@kdisc.kerala.gov.in">pc07@kdisc.kerala.gov.in</a>

1. The bidder must quote **unit price and total price inclusive of all applicable taxes including security deposit (if any) and installation charges.**
2. Price quote shall be separate for broadband and lease line.
3. Installation and commissioning are mandatory and included in the quoted price.
4. The successful bidder must complete delivery and installation as per the work order.
5. Bidder should have its own Internet Gateway in Kerala and must be capable of providing Internet Bandwidth on its own Fiber last mile.

6. The Bidder must be capable of delivering the latest version of Internet protocol as per the guidelines of Government
7. Experience in providing bulk FTTH connectivity to Schools/Colleges
8. 24 \*7 NOC support, service centres in Kerala
9. 300 Mbps enterprise grade FTTH or lease line
10. Any defective equipment must be replaced immediately (within 2 days) at no additional cost, during the warranty period.
11. In cases where the OEM-specified warranty period is less than Thirty-six (36) months, the Supplier shall mandatorily provide Annual Maintenance Contract (AMC) for the remaining period so as to ensure a total coverage of minimum 36 months from the date of commissioning. The cost of AMC shall be quoted separately and explicitly as part of the bid.
12. In line with applicable Government policies and directives, preference shall be accorded to the use of Government-owned or Government-mandated network infrastructure, wherever such infrastructure is available, operationally feasible, and technically suitable. The bidder shall coordinate with K-DISC and concerned agencies, as required, for assessing feasibility prior to installation.
13. In view of bulk quantity procurement, bidders shall offer their best possible discounted rates. Preference may be given to bidders offering competitive bulk discounts, provided all technical specifications and service level requirements are met
14. All bid submissions, documents, evaluations, and award-related processes shall be carried out physically, submissions shall be accepted; however, queries and clarifications may be submitted through the email ID: sdpk.kdisc@gmail.com within the stipulated time.
15. Any attempt on the part of tenderers or their agents to influence the Officers concerned in their favour by personal canvassing will disqualify the tenderers.
16. K-DISC reserve the right to accept / reject / cancel any offers during the process without assigning any reason.
17. The centres mentioned in the annexure may change as per the requirement of the project. The final centre details will be provided along with the work order.
18. At any time prior to the deadline for submission of bids, K-DISC for any reason, whether at its own initiative or in response to the valid queries raised in the pre-bid meeting, modify the tender documents by amendment.
19. The amendment will be notified in the K-DISC website and visit the site periodically.  
<https://kdisc.kerala.gov.in/en/>
20. The Tenderers are advised to obtain all necessary information before submitting their bid.
21. The monthly internet charges of all SDPK Centres shall be consolidated under a centralised billing mechanism. The service provider shall submit a single consolidated invoice to K-DISC, Thiruvananthapuram, on a quarterly basis, covering the internet charges for all centres

for the respective quarter. Payments shall be released by K-DISC only on a quarterly basis against such consolidated invoices, subject to satisfactory service delivery of service.

22. In case of non-working centres, the internet connection should be disconnected till further requirement, based on the request from K-DISC.
23. The Tenderer shall bear all costs associated with the preparation and submission of its bid, and K-DISC will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tender process.
24. The connections are intended for 3 years and it will be extended based on requirement.
25. While the intent of this tender is to engage a single service provider for all SDPK Centres, in the event that the lowest quoted bidder is unable to provide internet connectivity at all the identified locations due to technical, feasibility, or service coverage constraints, K-DISC reserves the right to engage additional eligible bidders for providing connectivity at the remaining centres.

Such engagement shall be done on the same rates, terms, and conditions as finalized through the tender process, or at rates discovered through the tender, as deemed appropriate by K-DISC, to ensure uninterrupted connectivity across all centres. The decision of K-DISC in this regard shall be final and binding on all bidders.

## 7. Submission of Bids

- Tender Bids must be submitted in sealed envelopes marked “Tender for SDPK internet” on or before 03/02/2026 by 4:00 PM
- The outer cover should contain both the technical and financial bid envelopes.
- The bids should be addressed to:

### **The Member Secretary**

Kerala Development and Innovation Strategic Council (K-DISC)  
Vazhuthacaud,  
Trivandrum

## **8. Evaluation Criteria**

- The Purchaser will consider award of Contract to the Tenderer whose bid meets all technical, financial, and contractual requirements specified in the tender. The contract will be awarded to the lowest quoted bidder.

## **9. Force Majeure**

Neither party shall be liable for failure or delay in the performance of its obligations under this tender, if such failure or delay is due to events beyond reasonable control, including but not limited to acts of God, natural disasters, floods, fire, earthquakes, epidemics, pandemics, war, riots, civil disturbances, acts of Government, changes in law, strikes, lockouts, or failure of utilities or communication systems (“Force Majeure Events”).

The affected party shall promptly notify the other party in writing of the occurrence of such event and take all reasonable steps to resume performance as soon as practicable. The timelines for performance shall be extended proportionately for the duration of the Force Majeure Event.

## **10. Jurisdiction**

This tender document, the bidding process, and any contract awarded pursuant to this tender shall be governed by and construed in accordance with the laws of India.

Any disputes arising out of or in connection with this tender or the resultant contract shall be subject to the exclusive jurisdiction of the competent courts at Thiruvananthapuram, Kerala.

## **11. Annexures**

### **Annexure I: Bid Submission Form**

(To be printed on the Letterhead of the Bidder, signed and stamped by Authorized Signatory)

**Tender Reference No.:**

**Date:**

**Tender Title: Supply and Installation of Broadband Connection and Modem/ Lease line for SDPK Centres under Vijnana Keralam Initiative**

#### **1. Details of the Bidder**

- Name of the Bidder / Firm:
- Registered Address:
- Authorized Contact Person:
- Designation:
- Mobile No.:

- Email ID:

## 2. Statutory Information

- PAN No.:
- GST No.:
- Registration / Incorporation No. (if applicable):

## 3. Bank Details

- Name of Bank:
- Branch:
- Account Number:
- IFSC Code:
- Account Holder's Name:

## 4. Bid Details

- Make & Model of Product Offered:
- Warranty Offered:
- Bid Price (as per Annexure II):

## 5. Declaration

I/We hereby submit our bid for the above-mentioned tender. I/We have read and understood the tender terms and conditions and agree to abide by them. All information furnished in this bid is true and correct to the best of my/our knowledge.

### Authorized Signatory with Seal/Stamp

**Annexure III: Declaration by Bidder**

I/We, the undersigned, hereby declare that:

1. I/We have read and understood the terms and conditions of the tender document "**Tender for Supply and Installation of Broadband Connection and Modem/Lease line for SDPK Centres under Vijnana Keralam Initiative**" issued by the Kerala Development and Innovation Strategic Council (K-DISC), and I/We unconditionally accept all the terms and conditions mentioned therein.
2. I/We declare that our firm/organisation/company has not been blacklisted, debarred, or suspended by any Government Department, Public Sector Undertaking, or Autonomous Body in India at any time in the past.
3. I/We hereby certify that the information furnished in our bid is true, complete, and correct to the best of my/our knowledge and belief. If any information is found to be false, misleading, or incorrect at any stage, K-DISC shall have the right to reject our bid and forfeit any Earnest Money Deposit/Security Deposit without prejudice to any other rights or remedies available.
4. I/We undertake to supply, install, and commission the broadband connection with modem at the designated SDPK Centres in Kerala, strictly in accordance with the technical specifications, scope of work, and timelines prescribed in the tender document.
5. I/We also undertake to provide onsite warranty support, training, and after-sales service as per the requirements of the tender.
6. I/We agree that the decision of K-DISC with regard to the evaluation of bids and award of work shall be final and binding on us.
